BUILDING BRIDGES; "MAKE IT REAL" Trial

Proposed Participants:

- Pendle Hill High School
- Darcy Road Public School.

Project Aim:

- Widen vocational learning in the middle years through a connection through a linkages program between a High School and its feeder public school
- To provide mentoring opportunities for high school students and to help these students develop confidence in providing career based information.
- To highlight the importance of education as a part of career path planning for primary students in years 5 &6.
- Strengthen learning outcomes across a variety of stage 3 syllabuses, by relating them to 'real life' scenarios.

Project Personnel

- 1 high school teachers
- 1-2 teachers from Darcy Rd
- 3-4 year 8 Pendle Hill High School students.
- 1 Parramatta LCP representative.

Task:

Implementation of the 'Make it Real' game in the feeder primary schools for Pendle Hill High School. Year 8 students will be used to 'run' the game with selected Stage 3 classes.
